Oops! Sorry about that folks. The mailing got out before we put the copy of the state EEO file in the envelope. We will get a copy out to you this week.

MEANWHILE... the Census Bureau just notified us that there is an error in the education data in the EEO file. It will probably only affect Billings and Great Falls and possibly the counties of Cascade and Yellowstone. Therefore, the state copy we will send will NOT include the page on education. We will send the education page to you when we know what the error is or it is corrected.

## MEMORANDUM

Date: September 21, 1992  
To: SDC/BIDC Affiliates  
From: Patricia Roberts *PR*  
Subject: New 1990 Census Data released

*will be forthcoming*

The 1990 Census Equal Employment Opportunity (EEO) File for Montana has been released. Enclosed is a copy of the state file. This data is available for the state, each of the 56 counties and the cities of Billings and Great Falls. As an affiliate you have the option to receive up to five (5) free reports from this office. (A fee of \$5.00 will be assessed for each report over 5. A full set is \$125). Please fill out the form attached to order the EEO files for your area and return to CEIC via the mail or fax (444-1518). This data for Montana will be released on CD-ROM and microfiche, but not in a printed report (the only printed report will be a U.S. summary). The enclosed blue EEO information sheet should answer any questions about the EEO file.

### Comparability to STF4

STF4, the last major file to be released from the 1990 Census (1993), will have some of the same data as the EEO file. Data will be available by race and sex but not for as many occupation categories as in the EEO file. STF4 will also be available for reservations and will have a printed report.

If you have any questions about these files, please don't hesitate to call.

P.S. Also enclosed is CEIC's updated Price List and Ordering Information brochure.

# 1990 CENSUS

## EQUAL EMPLOYMENT OPPORTUNITY

### EEO FILE

The 1990 Census Equal Employment Opportunity EEO File is based on civilian labor force (defined as all civilians 16 years old and over who were employed and the unemployed actively seeking work) data from the 1990 decennial census. The file contains two sample based sets of tabulations. The first set is a cross-tabulation of a detailed census occupation distribution by sex, race, and Hispanic origin. The second set shows educational attainment for selected age groupings, by sex, race, and Hispanic origin.

All tables in this file present data for the entire civilian labor force. Occupation data is available only for the "recent-experienced civilian labor force" (defined as persons employed in 1990 or unemployed having civilian work experience between 1985-1990). All remaining persons in the civilian labor force are in the residual line "unemployed with no civilian work experience since 1985." This line includes all persons who reported themselves as unemployed in 1990 and one of the following: (1) their last job since 1985 was in the Armed Forces and they had a uniquely military occupation; or (2) they last worked in 1984 or earlier; or (3) they reported that they had never worked.

### COMPARABILITY TO 1980 CENSUS DATA

This file is the 1990 counterpart to the 1980 Census/EEO Special File. Generally, the classification system used for the 1990 occupation data is the same as the one used in 1980, but there are some differences, as follows:

#### New 1990 categories:

- 017 Managers, food serving and lodging establishments
- 021 Managers, service organizations, not elsewhere classified (n.e.c.)
- 466 Family child care providers
- 467 Early childhood teacher's assistants

#### Deleted 1980 categories (consolidated with others):

- 349 Telegraphers (now part of 353, Communications equipment operators, n.e.c.)
- 369 Samplers (now part of 368-372, Weighers, measurers, checkers and samplers)
- 437 Short-order cooks (now part of 436, Cooks)
- 673 Apparel and fabric patternmakers (now part of 674, Miscellaneous precision apparel and fabric workers)
- 794 Hand grinding and polishing occupations (now part of 795, Miscellaneous hand working occupations)
- 805 Truck drivers, light (now part of 804, Truck drivers)

## EQUAL EMPLOYMENT OPPORTUNITY

## EEO FILE

The EEOC (Equal Employment Opportunity Commission) is the federal agency responsible for enforcing the EEO laws. It is composed of five members, one of whom is the chairperson. The EEOC has the authority to receive complaints, investigate, and attempt to resolve disputes. If a complaint is not resolved, the EEOC can file a lawsuit on behalf of the complainant. The EEOC also has the authority to issue subpoenas and to conduct hearings. The EEOC's decisions are final, except in cases where the EEOC has referred a case to the federal court.

All cases in this file are those that have been referred to the EEOC by the federal court. The EEOC has the authority to receive complaints, investigate, and attempt to resolve disputes. If a complaint is not resolved, the EEOC can file a lawsuit on behalf of the complainant. The EEOC also has the authority to issue subpoenas and to conduct hearings. The EEOC's decisions are final, except in cases where the EEOC has referred a case to the federal court.

## COMPARABILITY TO THE EEOC DATA

This file is the EEOC's master file. It contains all the cases that have been referred to the EEOC by the federal court. The EEOC has the authority to receive complaints, investigate, and attempt to resolve disputes. If a complaint is not resolved, the EEOC can file a lawsuit on behalf of the complainant. The EEOC also has the authority to issue subpoenas and to conduct hearings. The EEOC's decisions are final, except in cases where the EEOC has referred a case to the federal court.
